

# Program Overview

\* as of 23 February, subject to change

EST	Monday April 10, 2023	Tuesday April 11, 2023	Wednesday April 12, 2023	Thursday April 13, 2023	Friday April 14, 2023
	SiliconPV Conference			nPV Workshop	
8:30				Opening Session nPV 2023	
8:45					
9:00		Opening SiliconPV 2023			Opening
9:20			Cell Characterization	Silicon Hetero Junction Solar Cells	Silicon Material an Market Trends
9:45		Highlight Session			
10:00					
10:15			Coffee Break	Coffee Break	
10:30		Coffee Break			Break
10:45					
11:00			Tandem Technologies	Poster	Advanced Production Technologies
11:15		Dopant Free Contacts / Novel Surface Passivating Layers			
11:30					
11:45					
12:00			Lunch Break	Lunch Break	Lunch Break
12:15					
12:30		Lunch		Lunch Break	Lunch Break
12:45					
13:00			Poster		
13:15				Poly-Si Passivating Contacts	Solar Cell Production
13:30		Poster			
13:45					
14:00					
14:15					
14:30				Closing SiliconPV 2023	Modules and Systems
14:45					
15:00			Module Reliability and Processing	Break	
15:15		Module Characterization, Simulations, Annual Yield			
15:30					
15:45					Break
16:00		Break	Break		
16:15					Sustainability, Recycling and Circularity Aspects
16:30					
16:45					
17:00			Process Technologies / Back-Contacted Solar Cells	Technical Tour	Closure of nPV Workshop
17:15		Silicon Material			
17:30					
17:45					
18:00	Welcome Reception				
18:15					
18:30					
18:45					
19:00					
19:15			Conference Dinner	Drinks at TGV
