

# Program Overview

	Sunday April 07	Monday April 08	Tuesday April 09	Wednesday April 10	Thursday April 11	
		SiliconPV Conference 2019		nPV Workshop 2019		
08:00		Registration	Registration	Registration	Registration	
08:15						
08:30		Opening Session	Carrier Selective Contacts I: Detailed Analysis of Poly-Si Passivated Contacts	Opening Session nPV	Opening Session nPV	
08:45		Keynote		Keynote	Overview	
09:00		Different Flavors of Tandem Cell Architectures		Carrier Selective Contacts II: Detailed Understanding and Cell Integration	Silicon Material	
09:15						
09:30						
09:45						
10:00		Coffee Break	Coffee Break	Coffee Break	Coffee Break	
10:15						
10:30		Advanced Analysis for Material Defects and Metal Impurities in Si	Poster 3: Cell Interconnection...	Review Paper	Cell Production	
10:45			Detailed Studies on Hydrogen-In-Si	Surface Passivation: Understanding and Implementation		
11:00						
11:15						
11:30						
11:45					Panel Discussion	
12:00		Lunch Break	<i>Bus Transfer to EnergyVille in Genk</i>	Lunch Break	Lunch Break	
12:15						
12:30						
12:45						
13:00	13:00 - 16:50 Tutorials for Young Scientists	Poster Session 1: Novel Characterization and Modelling	Lunch Break	Poster Session 4: Silicon Material Investigation	Passivation & Contacts	
13:15						
13:30			Novel Cell Interconnection Technologies and Module Degradation	Carrier Selective Contacts III: Advanced and Novel Processes	Coffee Break	
13:45						
14:00			Keynote			
14:15			Growing Insights in Light- and Temperature Induced Degradation Mechanisms	Coffee Break	Progress in Kerfless Wafering	Modules & Systems
14:30						
14:45						
15:00			Coffee Break		Coffee Break	
15:15				Technical Tour: Visit EnergyVille	Poster Session 5: Advanced Solar Cell Processing	Closing Session nPV
15:30						
15:45						
16:00		Poster Session 2: Improvements on Carrier Selective Contacts				
16:15						
16:30		Progress in Process Step Development		High Efficiency PERX and IBC Solar Cell Processing		
16:45						
17:00						
17:15	Welcome Reception & Registration at "De Hoorn"					
17:30						
17:45						
18:00						
18:15			<i>Bus Transfer to Leuven</i>	Closing Session SiliconPV		
18:30						
18:45						
19:00			Conference Dinner at "Faculty Club"			
19:15
